

Child can identify beginning sound (e.g. What is the first sound in the word "book?").	How often?			Child can produce words with the same beginning sound (e.g. What's another word that begins with the sound /b/?).	How often?		
	Almost/ most of the time	Sometimes	Not yet		Almost/ most of the time	Sometimes	Not yet
Child's Name							

- Segment syllables (Let's find the beats or syllables in the word "table.")
- Blend syllables (Put these beats or syllables together: win-dow. What's the word?)
