Date: _____

ITEM: Participates in the organization and displaying of information using graphs and charts	How Often?			If *not yet* or *sometimes*, child struggles with….				Notes
Child Name	Always/most of the time	Sometimes	Not Yet	Understanding that data can be collected to answer a question	Fundamentals of counting	Understanding how to read graphs	Something else	

- If **always** or **most of the time**, encourage children to collect data from peers; create more complex graphs
- If **not yet**, revisit counting basics; focus on simple graphs with two categories and small numbers
