

Date: \_\_\_\_\_

ITEM: Recognizes a simple pattern using manipulatives that vary in size, shape, and color	How Often?			If <i>not yet</i> or <i>sometimes</i> , child struggles with...				Notes
	Child Name	Always/most of the time	Sometimes	Not Yet	Identifying attributes	Noticing repetition	Verbalizing	

- If *always* or *most of the time*, ask children to find or make patterns of more complex types (e.g., AAB).
- If *not yet*, provide repeated experience over time with objects that focus on one attribute (e.g., color).
