

Building Our Classroom Community

Dear Families,

In school, we are all getting to know one another better. To help us, we are creating a class book entitled *Our Classroom Community*. Every child in the class will be featured in this book.

To support this work, please talk to your child about their favorite things and their interests. You might ask some of the following questions to help generate ideas. Jot down what your child says. Send this information back to school in order to help your child be prepared to share.

- What are your favorite things to do?
- What are your favorite games to play? Favorite sports?
- What is your favorite food?
- What do you like to read about?

Thank you for your support!
