Special Materials				
N/A				
To Make				
• Label cups one to five with the numeral and the number of dots.	• Label index cards one to five with the number of dots below the numeral. • Create sets of paper plates numbered one to five. On one side of the plate write the numeral and on the other side of the plate show the corresponding number of dots. • Write the uppercase letter D on one side of an index card and the lowercase letter d on the other.	• Write the feelings word "kind" on a sentence strip and attach matching photo.		• Add a copy of "Help! My Bucket Handle Broke" to children's science journals.
